

Dear CELDT District Coordinator:

**Announcing *CELDT Live!* 1D Online Pre-Identification System
Online Training Presentation**

To help get information out to the field about the 2009-10 California English Language Development Test (CELDT), Educational Data Systems and the California Department of Education offer a series of online training presentations called *CELDT Live!*.

The third online presentation called *CELDT Live!* 1D Online Pre-Identification System in our series of monthly presentations will describe how to order CELDT Pre-Identification labels, important deadlines and how the new Pre-Identification Data Management system works.

Details about the third CELDT Live! online training presentation are:

Title: *CELDT Live!* 1D Online Pre-Identification System

Date: Tuesday, June 9, 2009

Time: 3:30 p.m. to 4:00 p.m.

Login: <http://www.celdt.org/workshops/live/>

Pre-registration is not required for this event. To participate, **on the day of the event** go to the CELDT Web site listed above, click on the WebEx link under the title of the presentation, and then follow the onscreen instructions for joining the live online training presentation. The audio for this presentation will be provided through your computer speakers or headphones. If you are not able to listen through your computer, when you join the Web session you may request dial-in information to listen via your telephone. You can log in up to 10 minutes early.

As an option, you can participate by telephone only. To do so, you may call toll-free 866-699-3239 or call 408-792-6300. For this audio-only telephone option, you will need to enter the following access code 660 167 942, followed by the # key.

We hope that you will join us for this *CELDT Live!*. If not, you can check out our archived versions on the CELDT Web site at www.celdt.org/workshops/live/.

If you have any questions about this presentation, or about the 2009-10 CELDT, please send an e-mail to support@celdt.org or call the CELDT Customer Support Center at 866-850-1039.

Sincerely,

The CELDT Team
Educational Data Systems
