Subject: CELDT Pre-ID Layout Updated to Version 3.5

Dear CELDT District Coordinator:

Please note that the 2009-10 Edition California English Language Development Test (CELDT) Pre-Identification Layout has been updated to Version 3.5.

The following are the changes to the Edits column for Fields 5 and 6 in the layout to clarify the use of the Pre-Identification labels for students that move schools within the district:

Field Number	Field Name	Information added to field
5	School Name	School name from GIS will override Pre-ID data.
6	School Code	School code from GIS will override Pre-ID data.

This means that you **can** use a Pre-Identification label for a student that **has moved schools within the district**.

The Pre-ID layout, the User Guide, and a link to the online Pre-ID application, can be found on the CELDT Web site at [www.celdt.org](http://www.celdt.org). To access these documents, log in to the secure District Portal and click on the Pre-ID Data Management link.

For further inquiries please contact the CELDT Customer Support Center at 866-850-1039 or by E-mail at [support@celdt.org](mailto:support@celdt.org).

Sincerely,

CELDT Project Team
