

**E-mail to send to CDCs informing them of  
an extension to the Ordering deadline**

Subject: CELDT 2009-10 Order Window Extension

---

Dear CELDT District Coordinator:

Due to spring break and the late notice that some districts received of the CELDT Web site log in information and the materials order window, we are extending the materials ordering deadline to Friday, April 10, 2009.

Please contact the CELDT customer support center at [support@celdt.org](mailto:support@celdt.org) if you have any questions about the ordering process or if you have difficulties logging on to the secure District Portal Web pages to place your order.

Sincerely,

Caroline Fahmy, President  
Educational Data Systems
